ALL-COUNTY LETTER NO. 75-252

• TO: COUNTY WELFARE DIRECTORS  
ALL MANUAL HOLDERS

SUBJECT: REGULATION NUMBERING SYSTEM

REFERENCE:

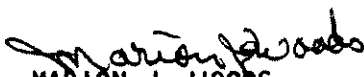

When repealing a sub-section of the state regulations, it has been our practice to renumber the sub-sections which follow.

We have become aware that some offices maintain certain files keyed to regulation numbers. Our renumbering of the remaining sub-sections tends to confuse these filing systems as well as to outdate references to such sections in other parts of the manual.

Effective immediately, we will no longer renumber sub-sections following the repealed material. When a section is repealed, we will maintain the number and in place of the text we will note that the content has been repealed and make reference to the appropriate manual letter.

We hope this change will be helpful to you.

Sincerely,

  
MARION J. WOODS  
Director of Benefit Payments
